One-day experience · Kenya

Day 1 — Nairobi: Giraffe Centre, Karen Blixen & Kazuri Beads — Conservation, Storytelling & Local Craft

After breakfast, depart for the Karen neighborhood of Nairobi, a leafy and historic part of the city known for conservation, culture, and artisan experiences. Your first visit is the Giraffe Centre, created to protect the endangered Rothschild giraffe. This stop offers a close and memorable encounter with one of East Africa's most beloved animals while also highlighting Kenya's conservation work. Continue to the Karen Blixen Museum, once the home of the Danish author whose life and writing helped shape the global imagination of Kenya. The house and grounds offer a glimpse into a different period of Kenya's history, set against the backdrop of the Ngong Hills. After lunch at or near the Karen Blixen area, visit Kazuri Beads, a workshop and shop known for handmade ceramic jewelry and crafts. It is an excellent place to support local artisans and select meaningful gifts to take home.
